COURRIER AÉRIÉ

N°:

Président de l'Assemblée
des Parlements

Dear Madam Bayr,

First and foremost, let me express my great thanks to you on behalf of the People's Parliament of Azerbaijan for your attention and for meeting with our representatives. We find very valuable your attention to our actions in terms of our relationship with the international community, in particular with the Parliamentary Assembly of the Council of Europe.

The People's Parliament of Azerbaijan is a politically legitimate institution, elected through online elections, that has been active for over a year.

During this period, the Parliament has not only demonstrated its viability but has also adopted important decisions and documents addressing numerous issues in contemporary politics both on country and international stages.

Dear Madam President, we also find it very important that the people of Azerbaijan are represented in the PACE. Unfortunately the official government of Azerbaijan continues to ignore this representation.

Therefore the People's Parliament of Azerbaijan is ready to demonstrate its willingness to mobilize a multipolar coalition of Azerbaijan's activists for such a representation.

The people of Azerbaijan deserve this representation and we hope PACE will also demonstrate its willingness for cooperation in terms of Azerbaijan's representation in this vitally important institution.

Looking forward to getting positive responses from PACE and our further cooperation.

With my best regards,

Arastun Orujlu

Chairperson

Azerbaijan Popular Parliament
